Changing Perspectives on Aviation English Training
Warsaw June 25th & 26th 2015
ENGLISH – the language of the skies
ICAEA’s mission is:

• to promote the development and understanding of the use and effective application of English in aviation.
• ICAEA aims to improve standards and understanding of the role of English in communications in all aspects of aviation. ICAEA raises awareness of the role of English in aviation safety, service quality and efficiency by providing a forum for an exchange of ideas and discussion.
